WHAT IS A REPORT

Every gemstone is unique, and in this respect a Gemstone Report provides the Gemstone's identity.

GTL Athens uses skilled and experienced personnel in order to issue a Gemstone Report, following the International Grading Systems developed by GIA and CIBJO.

This report is not a guarantee, or appraisal. The recipient of this report is advised to consult a credentialed gemmologist about natural, enhanced, treated and synthetic gemstones. The conclusions on this report reflect our findings at the time it was issued. A gemstone can be modified and/or enhanced at any time. Therefore, GTL Athens can reconfirm at any time that the stone is in accordance with the gemstone report.
